## **EXPLANATION OF SERVICES:**

### **Basic professional services**

Professional consultation with licensed personnel, which may include but is not limited to, expert advice on options to meet your needs, including essential services relating to disposition, drafting notices, planning scheduling of services, advising regarding possible government benefits. A basic professional fee is payable whenever we provide services to you.

### **Co-ordinating activities, rites and ceremonies**

Co-ordination of all rites and ceremonies, before, during and after they have been provided, including services and supplies provided by us, as well as those provided by third party suppliers, such as flowers and death notices.

### **Documentation – permits, forms, etc.**

Completion and filing of all documents necessary to carry out the services and supplies requested, including, but not limited to, death registration, burial permit, coroner's certificate for cremation, documentation necessary to ship the body out of the country. As part of this service, we will provide you with 12 proof of death certificates; such certificates are usually accepted for most estate settlement purposes, but sometimes a Provincial Death Certificate will be necessary and is available from the Office of the Registrar General.

### **Transport remains**

Transportation of the remains from one place to another, for example the hospital to our premises, or from our premises to the cemetery or crematorium using a transfer vehicle, for distances not exceeding 25 km a charge applies for each transportation request.

*Additional charge for distances over 25 km from the funeral home will be charged at \$1.95 per kilometer one way per vehicle. These per kilometer fees are in addition to the basic vehicle usage fees listed below.*

### **Basic preparation of remains** (requires facilities for preparation/embalming/shelter)

The preparation of the body for placement into the casket, including bathing, dressing and the setting of facial features for identification or viewing without embalming. This will also include the removal of pacemaker or other implants for cremation.

### **Embalming of remains** (in addition to basic preparation of remains)

Embalming is the process of replacing blood and bodily fluids with chemical preservatives. It is a process of sanitation, restoration and temporary preservation. Embalming is not legally required but may be recommended to preserve the body between the time of death and the visitation or disposition of the deceased. Our professional funeral directors will make a recommendation based on the condition of the body and expected service needs.

### **Staff services for visitation** (requires facilities and/or equipment for visitation)

Staff to coordinate and oversee the visitation (informal gathering) at our premises or at an off-site location.

### **Staff services for ceremony and/or burial** (requires facilities and/or equipment for ceremony)

Staff to coordinate and oversee the ceremony or memorial at our premises or at an off-site location for a period of up to three hours.

### **Facilities for preparation/embalming/shelter**

Facilities used to prepare, embalm and/or shelter the body; this charge applies whenever the body is in our facility for any purpose.

### **Facilities and/or equipment for visitation** (requires staff services for visitation)

Designated facilities at our funeral home used for public visitation and one hour of family visitation **or** the use of our equipment for public visitation and one hour of family visitation at an off-site location.

### **Facilities and/or equipment for ceremony** (requires staff services for ceremony and/or burial)

Designated facilities at our funeral home used for the ceremony or memorial service **or** the use of our equipment for the ceremony or memorial service at an off-site location.

**EXPLANATION OF SERVICES (CONTINUED):**

*Unless otherwise identified, all applicable taxes will be added to the prices indicated.*

**TAX**

Harmonized Sales Tax (HST) at a rate of 13% is applicable to the Funeral Home fees, the merchandise and most cash disbursements and it will be added to the account for all applicable items.

**PAYMENT TERMS**

Unless otherwise specified, payment is due within 30 days of signing the contract. An early payment discount is offered for accounts that are paid in full within 15 days of the contract signing. Payment may be made by cash, cheque or e-transfer. Beyond 30 days, interest will be charged at a rate of 2%, which is equivalent to 26.82% per annum (APR).

**FUNDING**

For your convenience, we offer two funding options when prepaying services and supplies. When prepaying, you pay for the services and supplies today and the money, along with the accrued interest, will be used to pay for the services and supplies when they are delivered at the time of death. A variety of payment options are available.

*Trust:* You pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when services or supplies are delivered) or the contract is cancelled.

*Insurance:* You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services and supplies at the time they are delivered, or the contract is cancelled.

**ASSISTANCE**

Assistance with funeral expenses *may* be available through the Last Post Fund or with your County Social Services Department.
